

## IQ PANEL

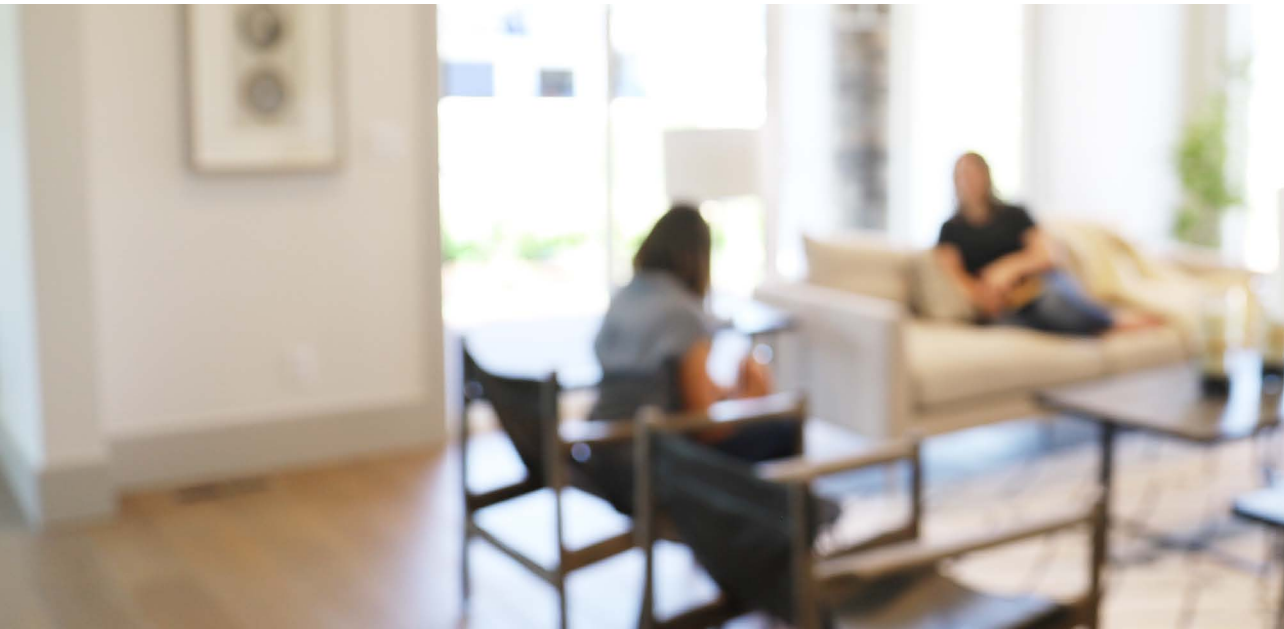

### PowerG

PowerG wireless signaling technology allows long range communication without the need to run expensive wires or cables. It also includes industry-best encryption to protect from hacks.

### BUILT-IN GLASS BREAK

Dual microphones on the IQ Panel listen for the sound of breaking glass. Now the IQ Panel is more than just a sleek 7" touchscreen, it also acts as an additional security device.

## RESIDENTIAL

- 7" HD Touchscreen
- PowerG
- Live Answer, Live View
- Built-in 5MP Camera
- Built-in Glass Break
- Z-Wave Plus
- Bluetooth Touchless Disarming (Coming Soon)

## SMB/COMMERCIAL

- PowerG
- Disarm Photos
- Live View
- Commercial Access
- Photo Frame
- Diagnostics
- Screen Lock, 6 Digital Codes

## BUILDER

- All-in-One System
- Easy Path to Security
- No Cost Builder Plan
- Increase Usage
- Hardwire or Wireless
- Free Model Home Kit

## MDU

- Security Ready
- Live Answer
- No More Keys
- Unattended Access
- DB Tool
- Energy Saving
- Flood Detection

## WELLNESS

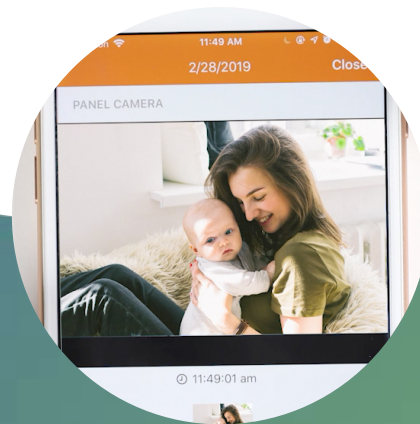

- Wellness Specific UI
- Wellness Sensors
- Fall Pendant
- Caregiver Check-in
- Wellcam
- Notifications

## DISARM PHOTOS

When the panel is disarmed, the built-in camera takes a picture and sends it to your smart device. These photos are accompanied by the name of the individual, the date, and the time.

## PEEK IN

"Peek in" to the panel camera using the Alarm.com app. Peek in on demand or when the panel camera detects motion.

## ALARM VIDEO

When the alarm is triggered, the built-in camera will record up to 4 minutes of video clip.

## LIVE VIEW

Stream your live video footage to the IQ Panel and IQ Remote with excellent resolution.

## LIVE ANSWER

Answer the door, using the Skybell Video Doorbell, from the IQ Panel's 7" HD screen. Talk and hear responses, disarm the system, and unlock the door.

## TOUCHLESS

Pair up to 5 smart phones to the IQ Panel for Bluetooth Disarming. When the panel is armed in "away" mode, come within range, and the system will disarm automatically.

## ENCRYPTED

There are multiple methods of hacking but the IQ Panel has prevention against these potential vulnerabilities. PowerG encrypted sensors also add a layer of encryption to your security devices.

## RELIABLE

Dual Path connectivity allows for faster speed and fewer service calls because of remote connectivity. Use it arming, disarming, Z-Wave, alarms, notifications, and much more.

## MOBILE CONTROL

Even when you're not home, you're connected. Arm your system, lock doors, view cameras and receive notifications and alerts via e-mail or text message.

## LIVE CAMERA

Mirrors the user experience on the IQ Panel. View indoor, outdoor, and doorbell cameras, from anywhere!

## GEOFENCE

Set automation rules such as, "when I leave my home, arm my security system, lock my front door, and adjust my thermostat."

## RULES & SCENES

Make your home smart with rules such as, "when door left open, adjust thermostat" or "turn exterior lights on at sunset."

# SECONDARY TOUCHSCREEN

## FEATURES:

- 7" touchscreen that mirrors IQ Panel
- Pair up to three using IQ Panel Access Point or home network
- View Live Video Camera Streams
- Built-in panel camera with disarm photos
- Over the air software updates
- Emergency panic (police, fire, medical)
- Wall mount, table stand, and power supply included

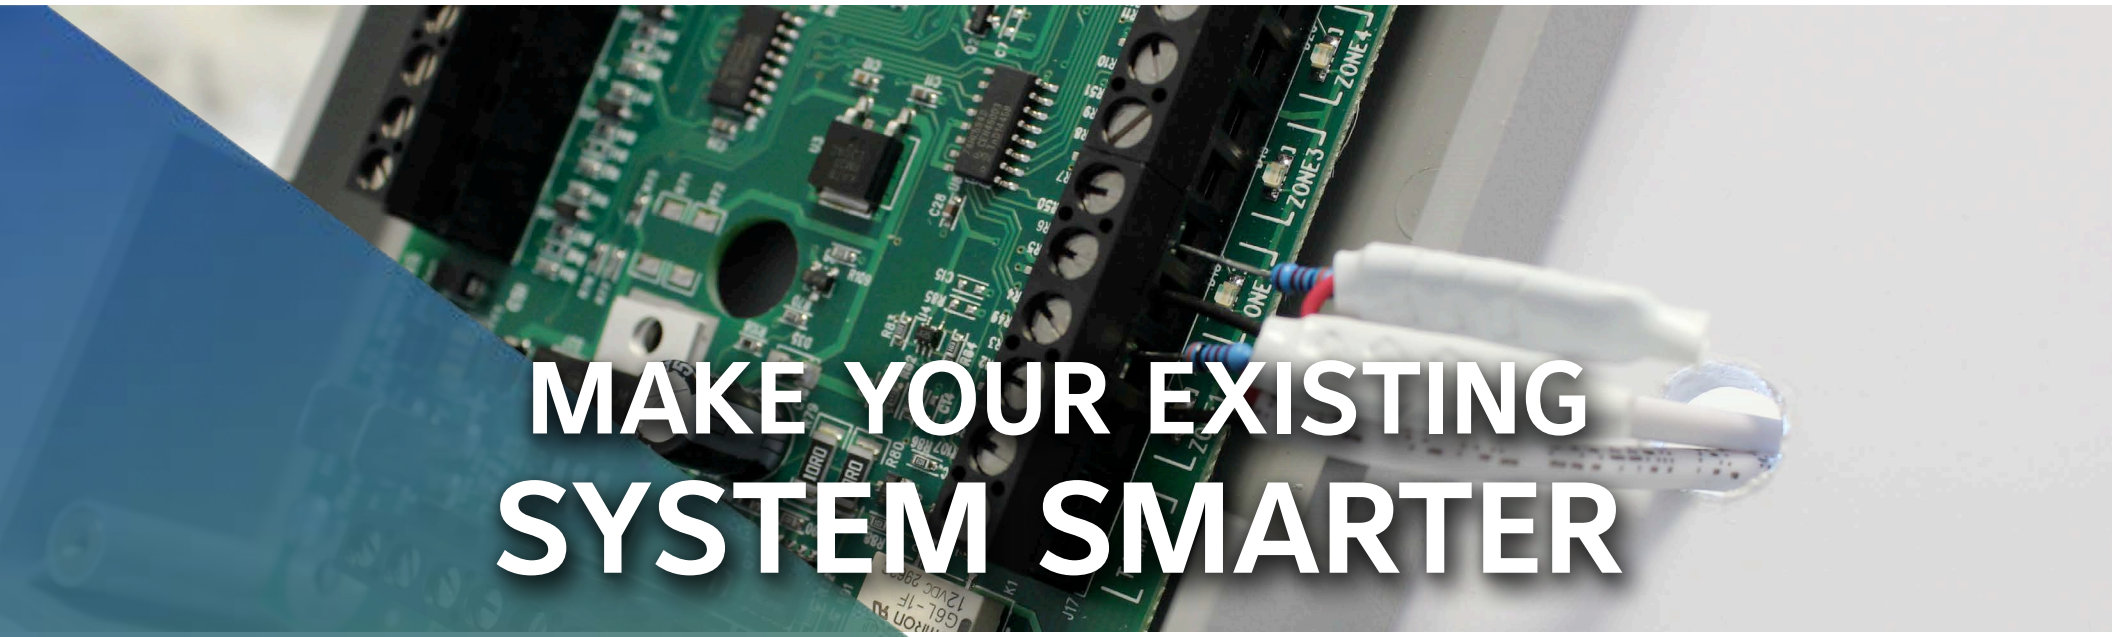

## ANYTHING THAT OPENS

### FEATURES;

- Encrypted door window sensors easily placed on anything that opens and closes
- Can be programmed as "Safety Sensor" for medicine cabinets, chemical storage, safes or storage closets
- Get notifications
- Set up automations such as "When window is open, adjust my thermostat" or "When door is open, turn on the light"
- Encrypted sensor technology protects signals sent to the IQ Panel

## MAKE YOUR EXISTING SYSTEM SMARTER

### FEATURES:

- 8 zone inputs
- 4 programmable outputs
- Great for new construction or existing systems
- Up to 700 Milliamps of power for hardwired motion detectors, glass break detector, and/or sirens
- Supports 2 units per IQ Panel

# KNOW BEFORE YOUR LEAK BECOMES A LAKE

## FEATURES:

- Great for installing at the base of water heaters, washing machines, sinks and more
- Get e-mail or text alerts if there is water detected
- 6' cord
- Water "bug" can be fastened to the floor or the wall

## AUTO-ADJUSTS TO SAVE ENERGY

### FEATURES:

- Remotely control from anywhere using mobile app
- Easily save money on your energy bills
- Standard (gas/electric) or heat pump compatible
- Adjusts itself automatically when you're not home and resume the schedule when you return
- Set automation rules such as "if the front door is open longer than 5 minutes, adjust the thermostat"
- Set scenes with your thermostat such as a "Sleep" scene where the IQ Panel arms the system and adjust the thermostat.

## EXTERIOR DOOR CONTROL

### FEATURES:

- Program user codes from your IQ Panel
- Grant access levels based on user type
- Remotely lock and unlock using mobile app
- Assign custom names to your doors
- Create custom schedules to activate devices automatically
- Create smart automation rules such as "When my door is locked, arm my panel, deactivate the thermostat, and turn off lights."

**Kwikset**

## VERIFY VISITORS

### FEATURES:

- Get text message notifications when someone rings your doorbell
- Answer the door from your phone or the IQ Panel
- Disarm the panel or unlock the front door remotely
- Get alerts when motion is detected on your front porch

# REAL TIME VISUAL VERIFICATION

## FEATURES:

- Set custom triggers to receive alerts of activities you care about such as "Record video clip when a car pulls into the driveway"
- Look through recordings with a searchable library
- Automatically capture pre-alarm and post-alarm footage
- Use security sensors to see activities that matter such as when a door opens, when there is motion, or if a window opens
